NEWYORK

AMASYA

I want to write about New York and Amasya. My cousin, Emily lives in New York. It is a big city. Big and noisy! I think, my hometown, Amasya is smaller and quieter than New York. The buildings are tall there. The buildings are shorter and older here in Amasya. The life in my town is easier and cheaper than the life in New York. New York is more crowded than my town. Traffic in New York is worse than in Amasya. There are cinemas, cafés, shopping malls, theatres in that city. It is more famous than Amasya. I think it is more interesting and enjoyable than Amasya.
